CIVIL ACTION NO. 6:07-3204-HFF-WMC

ORDER

This case was filed as a civil rights action. Plaintiff is proceeding pro se. The matter is before the Court for review of the Report and Recommendation (Report) of the United States Magistrate Judge suggesting that the action be dismissed without prejudice and without issuance and service of process. The Report was made in accordance with 28 U.S.C. § 636 and Local Civil Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261, 270 (1976). The Court is charged with making a de novo determination of those portions of the Report to which specific objection is made, and the Court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. 28 U.S.C. § 636(b)(1).

The Magistrate Judge filed the Report on October 26, 2007, and the Clerk of Court entered Plaintiff's objections to the Report on November 5, 2007. The Court has carefully reviewed

Plaintiff's objections to the Report, but finds them to be wholly without merit. Therefore, the Court will enter judgment accordingly.

The Court has also considered Plaintiff's assertions that Judge William M. Catoe should recuse himself from consideration of this matter and that the Clerk of Court is biased against Plaintiff. Plaintiff, however, has failed to set forth any legal or factual basis such that the Court could make such a determination. Therefore, the Court rejects Plaintiff's contentions.

After a thorough review of the Report and the record in this case pursuant to the standard set forth above, the Court overrules Plaintiff's objections, adopts the Report and incorporates it herein. Therefore, it is the judgment of this Court that the action be **DISMISSED** without prejudice and without issuance and service of process.

IT IS SO ORDERED.

Signed this 5th day of November, 2007, in Spartanburg, South Carolina.
